BREAKING EVEN!

Art Book Fair

- **Dec 14, 11.00–20.00**
this week

Dear Friends and art book lovers,

Visit us on 14 December from 11.00 to 20.00 at the 'Breaking even! Art Book Fair' at the Rijksakademie, Amsterdam. On the occasion of the upcoming Art Book Fair, the artists Ute Janssen and Silke Silkeborg will give a lecture on Saturday 14 December from 12.30 - 13.50 on the subject of 'Spaces' with selected examples from their artistic work.

To set the mood, the artist Silke Silkeborg will read her text 'Painting at night in front of the Hôtel de la Tour in Sanary-sur-Mer'. This hotel served Klaus Mann as a new place of refuge after his escape from Amsterdam in 1937.

Based on the project example 'Amsterdam Apartment Project` 1988-90 / Ute Janssen, which deals by the scarcity of space in cities and the renaissance of 'beautiful living', the artist will stimulate a brainstorming session on the concept of psychological security that space and housing can offer their users.

Both artists will present selected works from the field of artistic publishing at their stand.
